INSPIRE. EMPOWER. ACHIEVE.

2026-2030  
**STRATEGIC PLAN**

## Mission

Working together to ensure every learner achieves personal success and thrives with future-ready skills, well-being, and belonging

## Our Commitments

- Advancing Truth and Reconciliation, guided by the TRC's Calls to Action and the United Nations Declaration on the Rights of Indigenous Peoples (UNDRIP)
- A culture of trust and collaboration with families and learning partners
- Clear and consistent communication to inform, celebrate, and promote shared understanding
- Data-informed planning, decisions and continuous improvement
- Dynamic and accessible physical and digital learning and work environments
- Equitable resource allocation, and responsible, transparent fiscal management
- Identifying, reducing, and preventing systemic barriers to ensure human rights are protected, disproportionate achievement outcomes are addressed, and success is realized for all
- Service excellence through operational efficiency and effectiveness
- Strategic, relevant, and responsive learning and professional growth opportunities

### 3

#### FOUNDATIONAL AND FUTURE-READY SKILLS: All learners achieve personal excellence and develop the skills needed to thrive.

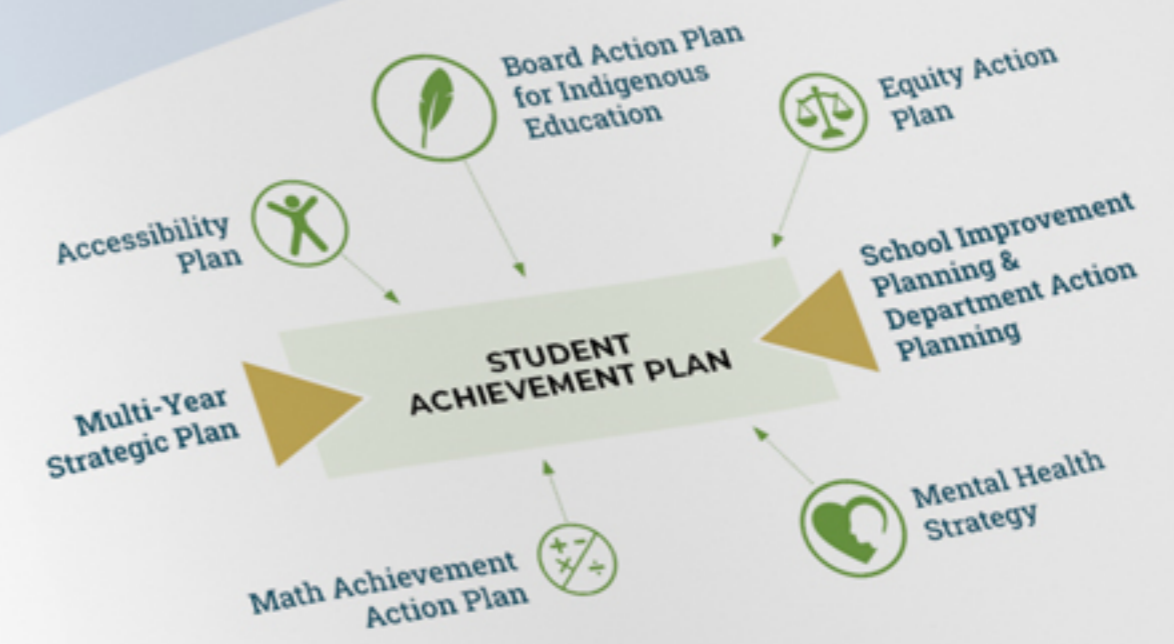

##### ACTIONS:

- Build core foundational literacy and math skills through explicit and inquiry-based instruction, and the principles of Universal Design for Learning (UDL)
- Foster digital citizenship, including comprehensive artificial intelligence literacy
- Integrate financial literacy, executive functioning and social-emotional learning skills across subjects
- Nurture active environmental learning through nature- and place-based opportunities and experiences
- Offer a variety of programs and pathways that support a diversity of learners.

#### Implementing and Monitoring our Plan:

Every school year, a number of plans that are aligned with the multi-year strategic plan are developed and implemented. The following graphic highlights some of these plans:

The indicators outlined in the Ministry of Education's Student Achievement Plan align with the Renfrew County District School Board's strategic priorities and actions. Examples include attendance, credit accumulation, EQAO, graduation and suspension data.
